

Swiftwater PPE Inventory

Instructions: Inspect issued PPE and equipment. Fill in the appropriate boxes for the item. Rate the PPE/equipment condition on a scale of 1-4 (4 being new and 1 being poor). Use the number 5 if the item does not fit properly. In the additional notes, record if any of your PPE has been repaired, the reason for the low rating, or why the item doesn't fit. If any additional information is required, use the provided space.
